Policy Form Version Comparison — PAP-2024-STD vs. PAP-2025-STD

Document ID: MMIC-VERSION-COMPARE-2025

Purpose: Side-by-side reference for the four substantive differences between the two Policy Form editions in this corpus. This document does not itself grant or deny coverage — the governing Policy Wording and the Declarations page in force on the date of loss always control; see Adjudication Guidelines Step 1.

1. Comprehensive Glass Deductible

	PAP-2024-STD	PAP-2025-STD
Rule	Standard Comprehensive deductible applies to all Comprehensive losses, including glass.	\$0 deductible waiver for glass-only Comprehensive claims under \$1,500 (Section 5.4).
Citation	Policy Wording Section 5.2	Policy Wording Section 5.4
Worked example	See Appendix, PAP-2024-STD, Example 2	See Appendix, PAP-2025-STD, Example 2

2. Transportation Expense (Rental Reimbursement) Limit

	PAP-2024-STD	PAP-2025-STD
Daily limit	\$30/day	\$45/day
Maximum days	30 days (unchanged)	30 days (unchanged)
Citation	Policy Wording Section 5.3	Policy Wording Section 5.3
Note	The Rental Reimbursement Increase Endorsement (END-RR-01) can further increase this to \$60/day regardless of which form version applies.	

3. Ride-share/TNC Use

	PAP-2024-STD	PAP-2025-STD
Treatment	No dedicated provision; ride-share use is addressed under the general Undisclosed Business Use exclusion (PAP-EXCL-2024, Exclusion 4) unless separately endorsed.	Explicit Ride-share/TNC exclusion (PAP-EXCL-2025, Exclusion 9; Policy Wording Section 7.6), removable only by the Ride-share/TNC Endorsement (END-RS-01).
Practical effect	Coverage outcome for an undisclosed ride-share loss may differ between the two forms even with identical facts, since the exclusions are worded differently and reference different endorsement mechanics.	

4. Claim Acknowledgment Timeline

	PAP-2024-STD	PAP-2025-STD
Timeline	15 business days	10 business days
Citation	Policy Wording Section 8.1	Policy Wording Section 8.1
Regulatory alignment	Predates the reference timelines in the Ohio Regulatory Reference.	Matches the Ohio Regulatory Reference, Section 2.

5. Provisions Unchanged Between Versions

The following are identical in substance between the two form versions and are not affected by which one governs a claim: Definitions (Section 1, except the added Ride-share/TNC Use definition in PAP-2025-STD), Liability Coverage (Part A), Medical Payments Coverage (Part B), Uninsured/Underinsured Motorist Coverage (Part C), Duties After an Accident or Loss (Part E, except the added ride-share disclosure duty in PAP-2025-STD Section 6.8), Appraisal (Section 8.2), Other Insurance (Section 8.3), Subrogation (Section 8.4), Loss Payee provisions (Section 8.5), Cancellation and Non-Renewal (Section 9), and Arbitration (Section 10).
