Standard Exclusions Addendum — PAP-EXCL-2024

Applies to: Policy Form PAP-2024-STD

Effective: January 1, 2024

This addendum sets out exclusions applicable to all coverage parts of Policy Form PAP-2024-STD, incorporated by reference into the Policy Wording under Part F, Section 6.

1. Racing or Speed Contests

We do not provide coverage for loss occurring while the covered auto is used in an organized racing, speed, or timed driving event, or while practicing for such an event, whether or not on a closed course.

2. Intentional Loss

We do not provide coverage for loss intentionally caused by or at the direction of an insured, including damage caused with the intent to defraud.

3. Wear, Tear, and Mechanical Breakdown

We do not provide coverage for loss due to normal wear and tear, freezing, mechanical or electrical breakdown, or road damage to tires, unless the damage results from a covered theft or a covered Collision or Comprehensive loss otherwise described in Part D.

4. Undisclosed Business Use

We do not provide coverage for loss arising out of the use of the covered auto to carry persons or property for a fee, including but not limited to delivery, courier, or livery services, unless a business-use endorsement specific to that use is attached to the policy and listed on the Declarations page.

5. Driving Under the Influence

We do not provide coverage for loss occurring while the operator of the covered auto is under the influence of alcohol or a controlled substance in violation of the law of the state in which the accident occurred.

6. Unlisted Excluded Driver

We do not provide coverage for loss while the covered auto is operated by a person specifically excluded from coverage under this policy by a named-driver exclusion endorsement.

7. War and Nuclear Hazard

We do not provide coverage for loss due to war (declared or undeclared), insurrection, rebellion, or nuclear reaction, radiation, or radioactive contamination, however caused.

8. Racing, Rental, or Livery Fleets

We do not provide coverage while the covered auto is used as part of a rental fleet, livery fleet, or is available for hire to the general public as part of a fleet of three or more vehicles under common ownership or management.

Note: this edition does not include a standalone exclusion for ride-share/transportation network company use. Such use, where not otherwise disclosed and endorsed, is addressed under Exclusion 4 (Undisclosed Business Use) rather than as a separately named exclusion. See PAP-EXCL-2025 for the explicit ride-share exclusion introduced with Policy Form PAP-2025-STD.
